## **Assistance needed to place flags at Ft. Indiantown Gap National Cemetery**

Help is needed to place the Memorial Flag display at the entrance to Fort Indiantown Gap National Cemetery, Wednesday and Thursday, May 15 and 16.

The Memorial to our fallen Veterans has been placed at the entrance of the Avenue of Flags for a number of years and now numbers over 6,000 flags. It is truly a beautiful display.

The project is labor intensive to set-up the grid, punch the ground holes, and place the 6,000+ flags.

If you are interested in assisting, please go to the cemetery at 9 a.m. on Wednesday and/or Thursday.

The first 3 hours will be physical work, laying out the grid and punching ground holes. By noon Wednesday flags should be able to be displayed. This Memorial will take at least 2 days to complete.

Not all tasks are strenuous and if you can spare a few hours either day, it would be greatly appreciated.

Respectfully Yours in Comradeship
