

Important info for voters

Important info for voters

While many voter registration deadlines have passed there still are registration deadlines coming. Please check the FVAP website www.fvap.gov/vao/vag/chapter2 and select your appropriate state for your specific deadline. Deadlines for postmarked absentee ballots will be right around the corner. Do not wait till the last minute and miss out on casting your vote! You may also choose to contact your local VAO (USAWC or DAHC) or the IVAO.

The IVAO can be reached at 717-245-3688, through email at usarmy.carlisle.usag.mbx.voting-assistance-office@mail.mil, or stop by Building 22, Ashburn Hall, Room 108.
