NSA Mechanicsburg hosting Pearl Harbor Memorial

Oct. 15, 2008 -- To mark the 67th anniversary of the Pearl Harbor attack, the Naval Support Activity (NSA) Mechanicsburg announced that a memorial program to honor attack survivors will be held at the Capitol East Rotunda in Harrisburg on Sunday, December 7th, 2008. Once again, this year's event will be bolstered by a state wide community relations and communications outreach effort called "Project Pa. Pearl Harbor Survivors."

"The aim of 'Project Pa. Pearl Harbor Survivors' is to let people know that there is an event taking place this year and that we are pulling out every stop to make this a very special day for a very special group of veterans and their families," noted Navy Captain Chris Vitt, Commanding Officer, NSA Mechanicsburg.

Survivors, family members, veterans and the public are invited to attend this free event. The memorial program begins at 12:55 p.m. and is scheduled to last about an hour.

Veterans and their families are encouraged to contact Mike Randazzo at
