

Sumner Road open to two-way traffic

Sumner Road open to two-way traffic

Dec. 18, 2008 -- Sumner Road re-opened to two-way traffic Thursday, Dec. 18. The road was previously one-way alongside the PX parking lot from the Delaney intersection to the water tower and the back of the commissary.

The opening of Sumner Road marks the completion of the new storm drain for the Heritage Heights housing area. Phase 1 of the housing area is scheduled for summer 2009 completion.
