The CYS referral list, available at the McConnell Youth Center, is a list of babysitters, 12 years and older, who have completed the two-day CYS babysitter training course that includes several hands-on tests and written exams. The list is available for parents affiliated with Carlisle Barracks, both on and off post.

The CYS babysitter course is mandatory in order to be placed on the referral list. The two-day course will be offered again on Nov. 3, 12-6 p.m. and Nov. 17, 12-4 p.m. Course #2 will be offered Feb. 2, 12-6 p.m. and Feb. 9, 12-4 p.m. Kids must attend both days of the course in order to be certified.

Just a reminder that in accordance with post policy, only children 12 and over may babysit younger children. For more on the Carlisle Barracks supervision policy go [here](#)
