

## Videos online: Strategic Leadership 2030

By Public Affairs Staff 26 April 2018

*Retired Lieutenant Generals David Huntoon and Mark Hertling offer insights from their strategic leader experience and study of professional military education/ leadership education in the Strategic Leadership 2030 video collection.*

What will next leaders need to be? Will there be war colleges in the future? Video presentations are online for three panels -- defining the future strategic, capturing the enduring leadership traits, and exploring how to find and develop Strategic Leaders for 2030. Retired Army Lt. Gen. Mark Hertling offers insights, drawing from his personal experience and his work in leadership education, to guide 2018 leaders to develop themselves and mentor others.
