## **2010 CFC campaign begins**

If you took the spare change you acquire every month and donated it to one of the thousands of charities that the Combined Federal Campaign supports you could make a huge difference in someone's life this year.

“The goal of this year's CFC drive is to move the leaders and the workforce from being involved to committed,” said Elton Manske, Chairman, of the 2010 Central Pennsylvania Combined Federal Campaign. “Think of a breakfast of eggs and bacon. The chicken who gave the egg is involved in the breakfast, but the pig is committed. That is what I would like us to be.”

“Due to the down turn in the economy there has never been a greater need for a robust CFC campaign to generate the resources needed in Central Pennsylvania and around the world to help people in need,” said Manske.

If you would like to contribute please see your CFC key person.
