## Carlisle Barracks is Making a Difference

**Suzanne Reynolds, Public Affairs Office**

The Carlisle Barracks community is participating at Project SHARE on Saturday, Oct. 23, to “Make a Difference”.

Sixty volunteers to include military (active, retired and dependants) DA civilians, and groups such as ROCKS, BOSS, and Seminar 16, will either be picking apples, distributing food, sorting food and clothes, or making applesauce and cider.

Everyone can make a difference year round. Project SHARE and other non-profit organizations can always use volunteers. To learn more about Project SHARE visit their website [www.projectshare.net](http://www.projectshare.net)

Make-a-Difference Day is the largest national day of helping others. Last year over 3 million people cared enough about their communities to volunteer on that day, accomplishing thousands of projects in hundreds of towns across the United States. Together, We CAN Make a Difference!
