## Halloween comes to Carlisle Barracks.

The signs of fall are all around us at Carlisle Barracks. The weather is getting cooler, the leaves are changing colors and ghosts and goblins, as well as princesses and superheroes, are roaming around the post. Halloween came to Carlisle Barracks on Oct. 28.

While many children and families took part in trick-or-treating, the Halloween parade was a big hit. The parade, which was run by the Carlisle Barracks Child and Youth School Services, featured prizes for best costumes for children, adults and families.

Due to the high number of witches and wizards on post, Hogwarts School of Witchcraft and Wizardry, along with several faculty, staff and students, “apparated” on the post to enroll the new students.

Once the students were welcomed by the staff, they had a chance to meet some of their classmates and tour their new school.
