

Veterans Day Safety Message

MEMORANDUM FOR All Carlisle Barracks Personnel

SUBJECT: Veterans Day Safety Message

1. The Veterans of our Armed Forces share a bond of valor and sacrifice. Generations of military veterans have served our Nation honorably, from the citizen-Soldiers at the dawn of our Nation to the most recent veterans of Iraq, Afghanistan and assignments throughout the world.
2. Our veterans have served the Nation honorably and faithfully. These patriots inspire us with their sacrifice and service. And, they remind us of the significance of the Army War College work.
3. While you enjoy this Veterans Day with Family and friends, I ask you to remember the courageous men and women who have earned our respect and appreciation. I ask you to pause to remember colleagues who have made the ultimate sacrifice for our freedom.
4. I ask you to honor their service and sacrifice by staying smart and safe during the holiday. Manage your travel time to avoid driving while fatigued or stressed. Manage your environment to avoid driving distracters. And, manage yourself; do not drink and drive. This day of celebration must not be marred by risks and accidents.
5. Maggie and I are blessed to be part of this USAWC Family. You inspire us daily.

I hope we all find inspiration in the patriots among us – the veterans, civilians, and military men and women who share our passionate dedication to the Nation.

Wisdom and Strength for the Future

...

Not to promote war, but to preserve peace ..

GREGG F. MARTIN

Major General, USA

48th Commandant
