Maj. Gen. Gregg Martin, commandant USAWC said that recognizing the faculty was important because they were the gravity that

held the college together.

“The faculty is the center of gravity at the USAWC and this group has excelled above and beyond,” said Martin. “Each of you has moved us towards our vision of becoming the institution of choice for strategic leaders.”

The ceremony honored the faculty in five ways. Faculty writing awards, military faculty stabilization, academic promotions, honoring a distinguished fellow and the awarding of academic chairs.
