PKSOI releases report on recent peacekeeping training centers' workshop

A report is now available from the 17th Annual Conference of the International Association of Peacekeeping Training Centres (IAPTC) held at Carlisle Barracks from Nov. 14-18, 2011. It provides the attendees with a concise reference of the proceedings, and chronicles the key points of discussion throughout the conference.

The Peacekeeping and Stability Operations Institute has been a part of the IAPTC since its inception in 1995, and hosted the event along with the United States Army War College and Center for Civil-Military Relations for the first time ever in the United States.

This report will be distributed in hardcopy to all of the IAPTC delegates attending this year's conference in Helsinki Finland from Sept. 16 - 20, 2012 and made available to all IAPTC members.
