The graphic features a background image of soldiers in combat gear. At the top left is the United States Army Training and Doctrine Command (TRADOC) logo, which includes a circular emblem with the colors of the American flag. To the right of the logo, the text reads "UNITED STATES ARMY TRAINING AND DOCTRINE COMMAND" and "Watch TRADOC EVENTS @ AUSA" in large, bold, yellow letters. Below this, there is a row of six small portraits of military leaders. The main text area is divided into two sections: "AUSA 2012 Institute of Land Warfare Panels" and "AUSA 2012 Army Forums".
