

Change-up in store for next week for ID-card holders entering Ashburn Gate from Route 11

***CHANGE TO THE CHANGE* in the Route 11 gate schedule**

Ashburn Gate will be CLOSED FRIDAY, Oct. 9 -- closing Thursday, Oct. 9 at 6 p.m.

Ashburn will be open during Retirement Appreciation Day, SAT, Oct. 12, 6:30 a.m. to 4 p.m.

Garrison commander Lt. Col. Kimberly Peebles asks for patience with security guards who are working for the security of our workforce and resident families.

"Please make time to thank our security personnel as you pass through our gates," she said. "These dedicated professionals are working in an understrength force -- working long shifts through this period of government shutdown in addition to an existing hiring freeze.

"We can be grateful for their continued commitment to our personal security and the defense of the Carlisle Barracks community, regardless of conditions."

The post will initiate hiring actions for guards and, eventually, resume original hours when the budget is in place and hiring is authorized.

Monday, Oct. 14 -- Ashburn Gate operations will revert to the NEW schedule:

o weekdays, 6:30 a.m. to 6 p.m.

o weekends and federal holidays, closed

o PEDESTRIANS who wish to exit between 6 - 9:30 p.m, can call 5-4115 for a patrol car to open the walking gate.

NOTE: Ashburn Gate is for ID card holders only. Claremont Visitor Gate is open 24 hours/7 days per week.
