AUSA Professional Development Forums - Institute of Land Warfare Events Schedule

In addition to the defense industry exhibits, the Army will sponsor professional development venues and Army leadership will leverage this communication platform to share guidance about the Army's strategic direction for the force of the future, and, The Army War College will be represented by Maj. Gen. Tony Cucolo and CSM Malcolm Parrish who speak on Oct. 23 as part of the Warrior's Corner, (tentatively: mid-day).

See details about authorizations to attend, uniform, and bus, below. No government funding will be authorized. Most events will be STREAMED LIVE, many with plans to interact with the virtual/ remote audience. The streams can be viewed at <http://www.army.mil/professional/ilw/>
