

Military Family Appreciation Month: Entire Family contributes to community

Military Family Appreciation Month: Entire Family contributes to community

The Cantwell Family—Greg, Maureen, Maryanne and William—reflects the independence, strength and service of military families.

Greg is the scoutmaster of Troop 173 on Carlisle Barracks with over 50 scouts and was selected to lead a group of 36 scouts from central Pa. to the National Jamboree in West Virginia. Additionally, he has coached Youth Sports Soccer teams, supports a variety of Carlisle School District special events and is a Pa. Hunter Education instructor and NRA-certified rifle and shotgun instructor.

"It's just a natural extension of what we do as a community," said Gregg. "You volunteer because it's the right thing to do, to make the community a better place."

The Cantwell family includes Col. Greg Cantwell, son William, daughter Maryanne and wife, Maureen.

Maureen has coached in the Youth Sports soccer program, assists with the Chapel Youth group and teaches with the youth ministry team. She volunteers with the Lamberton Middle School Veterans Day Program, and the Carlisle School District coordinating special events.

Maryanne is a high school student who volunteers as part of the school's Student Council and participates with the Young Adult Writing group. With the church youth group, she assists with many of the volunteer projects.

William is a Boy Scout who volunteers for many Eagle Scout projects on Carlisle Barracks. He assists with the church youth group and has supported Project Share distribution, cleaning the chapel, and making cards for the nursing home residents.
