Carlisle Barracks to celebrate life of Dr. Martin Luther King, Jr. Jan. 10

Join us and bring a friend on Friday, Jan. 10, to celebrate the life of Dr. Martin Luther King, Jr., with guest speaker Dr. Vernon Carraway, Leadership trainer and Legacy teacher of Dr. Martin Luther King, Jr., at 11:45 a.m.-12:45 p.m. in Bliss Hall auditorium.

Carraway will discuss how the growth of Dr. King as a strategic leader and the lessons that can be applied today.

Carraway's passion for the words and works of King was ignited by a challenge from his psychology professor in 1969, just a year after King's assassination. As he pored over King's texts, the words rang as electric and true to Carraway as they had when he'd first heard King deliver them, six years before, he said.

Today, Carraway is a noted King scholar and interpreter with a Ph.D. in workforce education & development from Pennsylvania State University, where he works as a counselor.
