Clarke Forum for Contemporary Issues @ Dickinson presents ...

PTSD: A Panel Discussion

Tuesday, November 11, 2014

Stern Center, Great Room, 7 p.m.

Panelists

Kimberly Dozier, 2014-15 Omar N. Bradley Chair in Strategic Leadership

Wendy Moffat, professor, Dickinson College

COL Rebecca Porter, commander, Dunham U.S. Army Health Clinic, Carlisle Barracks

David Wood, senior military correspondent for *The Huffington Post*

Posttraumatic stress disorder (PTSD) is a mental health condition that is triggered by experiencing or witnessing a terrifying or traumatic event. It is not unusual for veterans returning from war to experience this condition, whether the condition is brief, prolonged, or permanent. It is estimated that 11-20% of veterans of the Iraq and Afghanistan wars are suffering from PTSD. This panel discussion will approach the complex issue of PTSD from multiple perspectives.
