# **International Fellows welcomed by citizens of Pennsylvania: Harrisburg Foreign Policy Association**

In an enduring tradition of 38 years, the Harrisburg Foreign Policy Association honored the 79 International Fellows of the resident class of 2015 when it hosted its annual reception Nov. 13, 2014 at the Letort View Club, for the officers representing countries across the globe.

A highlight of the event is the informal ceremony in which the Association provides each International Fellow with a Pennsylvania Senate Proclamation that serves as a formal welcome to the commonwealth of Pennsylvania.

HFFPA President Dr. Clem E. Gilpin and members of the Foreign Policy Association represent the welcoming central Pennsylvania region, and the group's interest in international affairs.
