## **Spouses' Club Holiday Auction benefits many organizations**

The Carlisle Barracks Spouses' Club held their Holiday Luncheon including a silent and live auction on Wednesday, Nov. 11 at the Letort View Community Center here. Auction items were donated by members of the Army War College seminars, permanent party spouses, and area businesses.

Because of events like this, the Spouses' Club is able to provide outreach funds to many Carlisle Barracks and Carlisle Community organizations.

The recipients for November each received checks for \$400--the Carlisle Barracks Conversation and Culture program for special activities; the Hope Station to fund the Kid's Café, and Homes for Our Troops to fund the building of homes for our Veterans.

Checks were presented by Amy Turner, Spouses' Club president, to Jim Washington of Hope Station and representing the Conversation and Culture program, International Fellows' spouses' Lynn Walker from Canada and Claudia Farfan from Colombia.
