Two area programs for Pennsylvanians will be helped by the Carlisle Barracks Spouses' Club as part of its community outreach program.

Project Share is a community clothing and food pantry which provides essential basic assistance each month to about 1036 families in Carlisle and seven surrounding communities. A \$900 donation from CBSC will be used to help purchase fresh eggs for monthly food distributions.

The Veterans Service Organization, Tragedy Assistance Program for Survivors, provides compassionate care to all who are grieving the death of a loved one in military service. CBSC is donating \$500 to support Pennsylvania families attending the National Military Survivor Seminar and Good Grief Camp for Young Survivors, sponsored by TAPS.

The annual Spring Benefit Auction scheduled for Friday, March 19 in the Letort View Community Center here is

a key event in the CBSC fundraising program. Open to the public, this event is in its tenth year. The Spouses' Club raises funds to support scholarships and outreach for the local community and for national programs.
