

Training, registration mandatory for golf cart use

Training, registration mandatory for golf cart use

April 2, 2010 -- Updates to CBks Reg 190-5, Motor Vehicle Traffic Supervision, may be viewed on CBNET. Major changes have been made to Section 4 which deals with Golf Carts/Utility Vehicles (GC/UVs). Registration and safety standards may be found on pages 11 and 12.

It's mandatory for all personnel who operate GC/UVs to take new safety training. The GC/UV training program is provided by the CBks Safety Office (245-4353).

Directions to the training site:

1. Open CBNET.
2. Open Garrison Training and Development Portal under Quick Links.
3. Open Carlisle Barracks Golf Cart Training under FY103rd Quarter.
