October 1, 2008 – Come to the Joint Pub at the Letort View Community Center now to see all the changes that have gone on at the Carlisle Barracks hot spot.

The interior of the Joint Pub has been re-painted and the furniture has been refurbished. The purpose was to revive the lounge, but keep its rich history intact.

If you visit the Joint Pub, you will notice notes and signatures all over the ceiling from previous students of the U.S. Army War College, said Staci Cretu, Marketing Director for the Directorate of Family, Morale, Welfare and Recreation. "We kept that to give our Joint Pub uniqueness and history."

New to the establishment is a poker table, pool table, two dart boards, a Nintendo Wii game system, a karaoke system, dance floor and shuffleboard.

The Joint Pub will be open from 4 to 8 p.m., with hors d'oeuvres from 5 to 7 p.m.

Regular hours of operations are Thursday and Friday from 4 - 9 p.m.
