As of 1500, Feb. 7, Dunham U.S. Army Health Clinic is experiencing a loss of internet connectivity as well as reduced staffing due to inclement weather.

“Clinic Status 8 FEB 18: Dunham U.S. Army Health Clinic is experiencing a loss of internet connectivity.

All Primary Care and Ancillary Services are OPEN with the following exceptions:

Appointment Line: Normal number is not operational and is set to notify patients that the clinic is closed- this is not accurate but cannot be changed due to the network outage. Please use the following numbers temporarily to reach the call center staff: 717-961-2065 OR 717-961-2064

Main Pharmacy Services (New Prescriptions/Renewals): CLOSED (This network outage is affecting ALL Military Treatment Facility Pharmacies region wide)

*Network/Community Pharmacies can call 717-245-4606 to transfer

prescriptions to a network community pharmacy.

PX Pharmacy: OPEN (for refills filled before 7 FEB 18 only)

We appreciate your patience during this network outage and all delays that will occur. We will continue to update you via social media.”
