

Law enforcement exercise at Claremont Road Gate Oct 31

By Thomas Zimmerman 29 October 2018

On Wednesday, Oct. 31, we will hold a series of emergency services exercises between 6 - 8 a.m. and 1 to 3 pm. that may cause a temporary delay entering and exiting the installation. These exercises allow us to exercise our team and identify areas where we can improve. Your patience and understanding is appreciated.

The exercises will be completed and will not interfere with the installation Halloween events.
