

Dunham Clinic announces flu shot dates for 2018

By Thomas Zimmerman 11 October 2018

It's that time of year again, time to get your annual flu vaccination.

It's that time of year again, time to get your annual flu vaccination. To help make it easier for employees, retirees and family members to get their flu vaccinations this year, Dunham Clinic has set up a number of opportunities. For the 2018-2019 flu season, the Army will offer injectable flu shots to Soldiers, federal civilians, and beneficiaries

Who should get the Flu Shot?

The flu shot is approved for use in people older than 6 months of age and all pregnant women, including those who are healthy and those with chronic medical conditions. The Flu shot is an inactivated vaccine that is administered with a needle, usually in the arm.

Who can get the Flu Shot?

All military service members must receive annual influenza vaccinations

IAW AR 40–562/BUMEDINST 6230.15B/AFI 48–110_IP/CG COMDTINST M6230.4G. All exemptions must be reviewed and confirmed by a medical provider. All DA Civilians, contractors, and eligible family members may receive the vaccine if desired.

Don't let the flu bug catch you! Get your immunization early.
