This year's Army Heritage Days will spotlight Operation Overlord at the U.S. Army Heritage and Education Center May 18-19, from 9 a.m. to 5 p.m.

Each year USAHEC hosts Army Heritage Days, a living history event that features re-enactors from all eras along the one mile Army Heritage Trail. These living historians, in period uniforms, will display historical equipment and weapons and will answer questions from the audience.

This year's feature focus is Operation Overlord and World War II.

Follow #CountdowntoAHD on Facebook and Twitter for specific event announcements.

The event will include a Veterans Meet and Greet, historian lectures, a

kid's passport program, informational programs by reenactors and a used book sale at the Museum Store.

The event is free and open to the public.
