

Carlisle Barracks to hold Full Scale Exercise July 11-12

By Curt Keester 10 July 2019

Carlisle Barracks Full Scale Exercise 2019

Carlisle Barracks will conduct a post-wide full-scale exercise, July 11-12, 2019.

Post-wide participation will include the Army Garrison, Army War College, Dunham Clinics, and other post tenants and partners. The exercise will begin with an alert from the Carlisle Barracks' Emergency Mass Notification system and the Giant Voice.

It will include an approximately 15-minute closure of both the front and back gates and a Shelter In Place drill for all building occupants.

Carlisle Barracks will conduct its annual post-wide full-scale exercise, July 11-12, 2019. The exercise will begin with an alert message from the Carlisle Barracks' Emergency Mass Notification System and include an announcement over the Giant Voice.

Carlisle Barracks will conduct its annual post-wide full-scale exercise, July 11-12, 2019. The exercise will begin with an alert message from the Carlisle Barracks' Emergency Mass Notification System and include an announcement over the Giant Voice. Post-wide participation will include the U.S. Army Garrison, U.S. Army War College, Dunham Army Health Clinics, and other post tenants and partners. Both the front and back gates will close for approximately 15-minutes, and building occupants will shelter in place for a period of time during the exercise.
