

Carlisle Barracks to experience brief power outage July 24, at 6 a.m.

By Curt Keester 23 July 2019

Carlisle Barracks will experience a brief power outage July 24, at 6 a.m. The outage should last no more than 15 minutes as the Department of Public Works switches the Barracks to an alternate power feed.

Carlisle Barracks will experience a brief power outage July 24, at 6 a.m. The outage should last no more than 15 minutes as the Department of Public Works switches the Barracks to an alternate power feed in support of an ongoing PP&L modernization project. Power should be restored no later than 6:15 a.m.
