CARLISLE BARRACKS, Pa (Oct. 14, 2021) – Carlisle Barracks will live-stream its 47th Annual Retiree Appreciation Day on the Garrison Commander's Facebook page at <https://www.facebook.com/USAGCarlisleBarracksGC> on Saturday, Oct. 16, 2021, from 9 a.m. to 3 p.m.

During the event, Carlisle Barracks' retiree community will have an opportunity to safely attend retirement-related briefings, ask questions online, and hear answers in real-time. Retirees can post questions in the comments section of each live-streamed presentation, or email questions to the Carlisle Barracks Retiree Services Office email at usarmy.carlisle.awc.mbx.rso@army.mil

Presentations will include a welcome by Maj. Gen. David Hill, Army War College Commandant, and Lt. Col. Jeannette Molina, Carlisle Barracks Garrison Commander, as well as medical, legal, Tricare briefings.

The guest speaker will be Mary Tallouzi of the Wounded Warrior Project. Because of the impactful help she received from the Wounded Warrior Project when her son Daniel was severely injured in Iraq in 2006, Mary has dedicated herself to serving warriors and their families to ensure they have access to the same resources she did.

The Barracks will hold its second Virtual Retiree Appreciation Day as a show of thanks and support for military retirees, family members, survivors, and pre-retiree personnel online on Oct. 17.
