Dunham Army Health Clinic is now offering its beneficiaries a 2nd booster COVID vaccination -- first Tuesdays of each month, 8 am to 12:30 pm. walk-in basis, at Dunham's immunization clinic.

Eligible, per CDC guidelines:

- o Beneficiaries 12 and older who are moderately or severely immunocompromised may choose to receive a 2nd booster dose using an mRNA COVID-19 vaccine at least 4 months after the 1st booster dose.
- o Adults 50 and over who are not moderately or severely immunocompromised may choose to receive a second booster dose using an mRNA COVID-19 vaccine at least 4 months after the 1st booster dose.
- o Beneficiaries ages 18-29 who are not moderately or severely immunocompromised and who received Janssen COVID-19 Vaccine as both their primary series dose and booster dose may receive a 2nd booster dose using an mRNA COVID-19 vaccine at least 4 months after the 1st Janssen booster dose.
