Dec. 29, 2021 -- As we move into the new year, COVID remains a fact of life and an enduring call for vaccine action. Dunham Army Health Clinic will continue to schedule clinics and appointments for Carlisle Barracks employees and TRICARE beneficiaries – for COVID vaccines, boosters, and the flu shots.

On Jan. 19, Dunham will hold a COVID vaccine clinic, 8 am-2:30 pm at the Letort View Community Center, 313 Lovell Ave. Carlisle Barracks, Pa 17013. Schedule your appointment by following the Dunham vaccine appt. scheduler link on this page.

Dunham schedules appointment times when they have confidence in vaccine supply availability. Appointments have been going fast, so look regularly as new appointments open. SEE the Dunham appointment scheduler on this page.

This is the plan Dunham is committed to, dependent on vaccine supplies --

- Adult Pfizer/Moderna vaccines -- by appointment only -- every Tuesday at Dunham Clinic, 8 am-1 pm
- Pediatric Pfizer vaccination clinics every Wednesday by appointment

at Dunham, 1 pm-5:30 pm

- Walk-in FLU vaccine clinic every Tuesday at Dunham Clinic, 1 pm-5:30 pm

Dunham is awaiting DoD guidance about booster shots available to 16 and 17-year-olds.
