CARLISLE, PA – The U.S. Army War College will host a solemn commemoration ceremony for Memorial Day at the U.S. Army Heritage and Education Center at 11:20 a.m. on Monday, May 29th, at 950 Soldiers Drive, Carlisle.

The ceremony will include a wreath laying, a 21-gun salute courtesy of the Pennsylvania Army National guard, and a flyover from three vintage Korean War era aircraft.

Retired Vietnam Veteran Army Lt. Gen. Robert Noonan will deliver remarks on the significance and history of Memorial Day observances.

Memorial Day observances are a solemn tradition dating back to the post-Civil War era, with the first recorded national observance occurring in 1868. Offering citizens and service members alike a way to honor the sacrifice of all who have died in the service to our nation.

The Carlisle Town Band will provide music for the occasion.

In case of poor weather conditions, the ceremony will move indoors.
